URGENT NEED

AUGUST 2022

BACK TO SCHOOL AID

HELP PROVIDE SCHOOL SUPPLIES, TEACHER SALARIES AND MORE

Dear Friends, Supporters & Prayer Partners,

School is almost back in session! Our students are headed back to Petals of Hope International Girls Academy. Which means it's time to replenish school supplies, teaching materials, and essential resources for the kids.

School supplies and materials have skyrocketed in price due

Your support can make a profound difference in a young girls life this year.

to the widespread impact of the current economic climate. These price increases have made it nearly impossible for the families of our students to adequately provide the necessary items for these kids. Your support will make a profound difference in each of our students' lives and futures - even more so this year under these unforeseen circumstances. Please read on to learn how your financial gift can make an impact.

REPAIRS, SUPPLIES & MATERIALS NEEDED

As we are preparing for the new school year, we have begun assessing the needs of both our students and the Academy itself. These needs include new uniforms to replace the worn ones, replacement of damaged textbooks, teachers' salaries, structural repairs to the school buildings, restock our teachers' classroom supplies, and furnishing of the main cafeteria. We've been so blessed to see such a significant increase in our student population with this new school year. However, with an increase in students, there also comes an increased demand for us to meet the needs of each and every one of these kids - new and old.

Unfortunately, we are nowhere near the financial goal we set to ensure these needs are met. Our new school year begins on September 14th and we are praying for a miracle - to be able to raise the funds to meet this deadline.

1.

NEED

Uniforms, school bus repairs, cafeteria + classroom furnishing, school materials, teacher supplies, and textbooks.

GOAL: \$9,580.00

2.

NEED

Ongoing monthly support for teachers' salaries.

GOAL: \$6,350.00 monthly

PRAISE

We are thrilled to report that our solar panel system has been installed! This means we now have a stable source of electricity and running water. The system has immensely improved the quality of life for our students and teachers - we praise God!

YOU CAN MAKE A DIFFERENCE

We are eternally grateful for your support and prayers and continually in awe of how God is working in Liberia through Petals of Hope Internationals. We remain prayerful and diligently work to follow the mission that God has put on our hearts for the people of Liberia.

We invite you to pray for our students and teachers and ask that you partner with us to impact the impoverished communities of Liberia. Our hope and prayers are for the light of Jesus Christ to fill as many hearts as possible. Thanks for your continued support.

In Him Always,

Beth Weedor

CEO/PRESIDENT and
Co-Founder of Petals of Hope
